DEFENDING POTENTIAL

## RESOURCES FOR FAMILIES

Big Brothers Big Sisters collaborates with a number of community organizations that provide resources in support of children and families. This section of our site is dedicated to providing our network with a list of these organizations and the resources/support they provide. We will be adding to this section on a regular basis. The page is broken down by need areas. Feel free to print this page off or copy this link to send to people you know who might need these resources. If you would like to discuss the unique needs of someone within the BBBS network, please feel free to contact your match coach.
